PROFILE

2D animator and graphic designer with a master's in Visual Communication, based in Hamburg. I write, design and animate short films and explainers, and I turn complex topics into clear, engaging visuals under tight deadlines. Open to studio and freelance roles.

EXPERIENCE

Jul 2023 – Jul 2024

Animator & Graphic Designer, Rockpecker Pvt. Ltd, India

- Animated characters and explainer videos for social campaigns in After Effects and Animate.
- Designed vector illustrations and brand assets for web, app and print.
- Created original digital characters that strengthened the company's brand identity.
- Worked with development and marketing teams; delivered projects 15% ahead of deadline.

2022 – 2023
6 months

Design Intern, Infographics & Video, Punjab University, India

- Designed illustrated booklets that explain safety topics to children: thunderstorm, heatwave, biomedical waste, coldwave, etc.
- Produced posters, social visuals and editorial layouts for university publications.
- Scripted, cut and exported social media videos.

PROJECTS

Short film · 1:14

Echoes of Mind (MA project)

Wrote, designed and animated a hand-inked film about loss and acceptance.

Short film · 5:10

Borrowed Hours

Pixel-art film with a custom interface design that carries the story.
